The course is approximately 54 mile long. The course will be posted on the ISORA website, texted and emailed to all entries and shall be available in the NYC on Friday evening. The course shall be broadcast on VHF Channel 37 (M1) before the start.

WAYPOINT MARKS.

Waypoints may be used as marks. If so, Rule 28 will be amended accordingly in accordance with the RYA / RORC Guidance – “Racing Around Waypoints” See website for details

Evidence of rounding the “virtual” mark must be taken and may be requested by the Race Officer. This evidence may include:

- Photographic (iPhone or similar) evidence of the yacht’s GPS showing its position at the mark.
- Yacht’s chart plotter track showing the yacht rounding the “virtual” mark. This must be transmittable to ISORA by email.

The onus of proof of having rounded the WAYPOINT mark will be with each yacht.

Avery Crest YB TRACKER

The **first 20 boats** entered in the race will be fitted with the Avery Crest YB Tracker. The Skipper will have to sign an indemnity to cover the replacement cost of the unit in a situation that the unit gets lost or damaged.

The units can be collected from the NYC on Friday evening between 19.00 and 21.00. The units can also be collected on Saturday morning by special arrangement only.

In order to set up the units all boats who are entered must declare that they are racing by 12.00 on Thursday 7th May. This declaration is a text to +353 87 2545037 stating that “Boat name” will be racing on Saturday. This is critical for the efficient running of the tracking system.

The trackers must be returned to Peter Ryan in Holyhead Sailing Club immediately after the race. Boats turning around on the line must deliver the unit to the NYC no later than Tuesday 12th May.

The tracking can be followed on the YB Tracking app for iPhones and Android. On downloading the app, the “ISORA Avery Crest 2015 Series” is purchased. This will give the purchaser full access to all races in the Series. ISORA will benefit from the sale of this app.

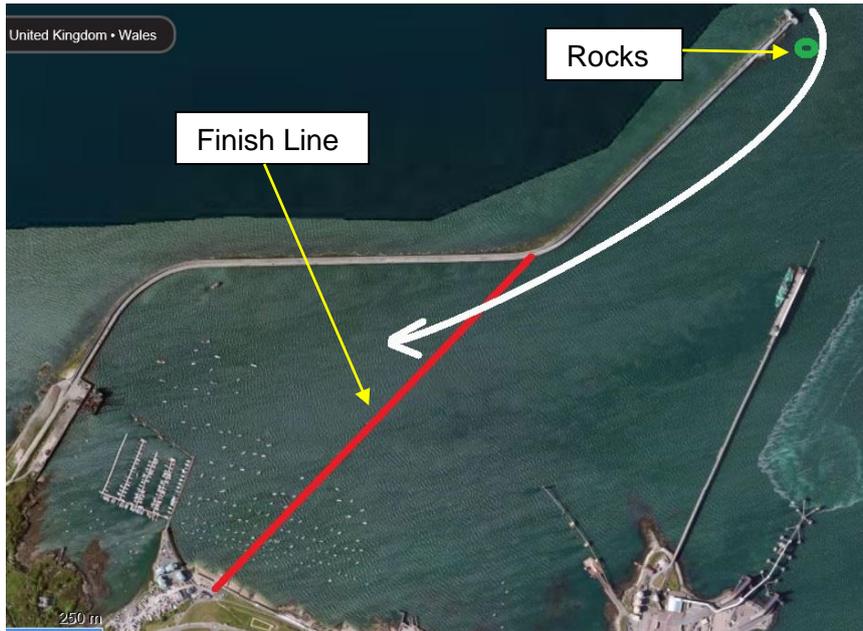

Any queries relating to the Avery Crest Trackers should be dealt with by contacting Peter Ryan +353 87 2545037.

FINISH LINE

As no access is allowed on the breakwater due to ongoing work, the finish line shall be between the green light at the “centre elbow” of the Holyhead breakwater and the Quarterdeck of Holyhead Sailing Club, bearing approx 226(T). Boats should keep clear of the rocks immediately inside the end of the breakwater.
